*Why these supplements are
UNIQUE, PREMIER products
if you really care about
maintaining cholesterol and
cardiovascular health.**

- ✓ Berberine helps keep your blood fats level at a healthy level through a mechanism that is completely different from the “statin” drugs.
- ✓ Berberine enhances heart strength, promotes a regular heart rhythm, helps to keep the blood pressure normal, helps good digestive functions.
- ✓ Omega-3 fish oils, EPA, DHA, keep healthy triglyceride levels and are proven to optimize your cardiovascular health.
- ✓ Omega-3 Plus™ uniquely combines the highest quality and quantity of beneficial omega-3 fish oils with AKBA 90™ in order to enhance the synergistic effects of both ingredients.
- ✓ AKBA 90™ is the only boswellia extract available on the market that is standardized to 90% active components instead of the customary 3%.
- ✓ No nutritional regimen is complete without the AKBA 90™ ingredient.
