*Why these supplements are  
**PREMIER** products if you want  
peak performance of your mind\**

**Highest quality ingredient combinations:**

- ✓ L-Huperzine increases acetylcholine, the main neurotransmitter responsible for optimal memory
- ✓ Serine and Carnitine boost the brain glucose metabolism (Alzheimer's is now recognized as a "diabetes of the brain")
- ✓ Idebenone enhances the right and left brain connection, increases serotonin levels, protects from excitatory brain substances
- ✓ Liquid Gemstones™ derived minerals create a higher synergy of all the components

**Functional improvements:**

- ✓ Boost memory, learning ability, mental focus, detail retention
- ✓ Being in control, alert, calm and confident
- ✓ Enhances more flexible, creative thinking

**Ask your health care provider about these and our other superior formulas\* uniquely made by True Botanica® for all your health needs.**
